

Alpaca Crypto Fee Schedule

At Alpaca, our mission is to open financial services to everyone on the planet, and in doing so, provide a seamless and transparent crypto trading experience. As we continue to grow and build Alpaca Crypto LLC (“Alpaca Crypto”)’s crypto trading offering, we are committed to providing full transparency with no hidden fees.

Crypto Trading Fees

As of April 21st, 2023, Alpaca Crypto uses a maker/taker volume-tiered Fee schedule for crypto trades. See the below table with volume based tiered pricing:

Tier	30d Trading Volume (USD)	Maker	Taker
1	0 - 100,000	0.15%	0.25%
2	100,000 - 500,000	0.12%	0.22%
3	500,000 - 1,000,000	0.10%	0.20%
4	1,000,000 - 10,000,000	0.08%	0.18%
5	10,000,000 - 25,000,000	0.05%	0.15%
6	25,000,000 - 50,000,000	0.02%	0.13%
7	50,000,000 - 100,000,000	0.02%	0.12%
8	100,000,000+	0.00%	0.10%

Crypto Wallet Fees

As of August 18th, 2023, Alpaca charges 50bps (0.5%) of the amount withdrawn from the corresponding asset for Crypto Wallets withdrawals.

Notes

Fees are calculated at the time an order is placed. Tiers are re-calculated daily at 3am EST and are based on total trading volume over the past 30-day period in USD. For more information about crypto trading fees, please read our Crypto FAQs.
